

**Basic Skills / No-Test / Low Test
Supplemental Practice Ice at Whitestown**

**8 Wednesdays, 6:30-7pm
April 3 to May 22, 2019**

During the 2019 Spring Session at the Whitestown Arena, the Skating Club of New Hartford will offer a 30 minute supplemental ice session for Badge and Low / No-test skaters to practice programs or dances with music or schedule private lessons. This session will be a NO TEST / LOW / INTRO session. The 30 minute session will immediately follow the group lesson time on Wednesdays and will be restricted to Learn to Skate private lessons, Badge Freeskate and Freestyle skaters who have passed NO HIGHER than the Pre-Preliminary FS or Preliminary MIF tests. Any USFS coach will be allowed to coach private lessons on this time.

Cost for this supplemental session will be **\$60** for 8 weeks for any non-package skaters. Skaters registered for a Spring FS package OR the Learn to Skate group lessons may purchase this supplemental session for **\$40** for 8 weeks.

If space is available, individual drop-ins will be allowed at \$10 for each ½ hour session. The session will be considered full at 20 skaters.

If there are insufficient pre-registrations to cover the cost of this ice-time, skaters will be notified and deposits will be returned. We are looking for a non-skating parent (or parents) to monitor.
